Reviews

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

America Star Books, United States, 2008. Paperback. Book Condition: New. 213 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Sarcastic! Irreverent! Entertaining! Educational? Based on Labor Department statistics, 50 of the countryas private sector employers offer no retirement plan. Another 30 provide some help through contributions to retirement accounts such as a 401(k). Only 20 still provide a traditional pension. We are entering the age of personal responsibility for retirement investing. Thus, there are only two chances for survival. First, trust a financial advisor to look out for your future financial comfort. Second, become financially educated. All Other Investment Books Suck! lays out simple rules to achieve financial freedom, but then goes beyond the rules to provide a basic education for value investment in stocks, bonds, and mutual funds. Read at your own riskyou may end up rich.
