Brand New Book ***** Print on Demand *****.Excerpt from Municipal Ownership: With a Special Survey of Municipal Gas Plants in America and Europe; Comprising a View of the General Principles of Public Ownership; Its Relation to the Public Welfare; With a Specia Study of Gas Works in American and European Cities Under Both Public A Because of intimate relations early in life with the railroads, telegraph and other public utilities, the conviction came to me that the corporations operating them were not only usurping functions which rightly belonged to the government, but were rapidly becoming so rich and powerful as to be a serious menace to liberty, justice and democracy, in defiance of which, private monopoly ever sought to control the making and administration of law. Believing it to be the duty of every citizen to contribute from his powers or experiences whatever would best promote the common good, I have for over thirty years made a special study of public utilities under both public and private ownership in our own and in foreign countries. This little book, while giving a brief view of...
