Excerpt from The Rationale of the Application of Hygiene: The Principles of Health, to the Prevention and Elimination of Disease, and Its Immense Superiority to the Ordinary Medical and Surgical Treatment, Incontestable and Triumphant Demonstrated It has been observed that Truth is stranger than fiction, yet many hold to fiction, nevertheless. Mystery is what our unthinking humanity believes in - Mystery which is but in too many instances a cloak for imposition. Her accomplice Sophistry - that burlesque on rationality - attempts to prove that which five minutes thought would reject as if not always impossible, at least improbable. Quoth the conscientious moralist, you will find that, after all, Truth is great and must prevail. Let us hope it may, but it will have much to do before it will be able to dispel the clouds of fiction which hide it in but too many instances. To speak of things of to-day by way of illustration. The founder of Mormonism, for instance, has his followers up to the present day, and Brigham Young is their prophet. This...
