

## The Virtual Campus

By Verdejo, M. F. / Davies, Gordon

Book Condition: New. Publisher/Verlag: Springer, Berlin | Trends for higher education and training | The virtual campus: Trends for higher education and training was the theme of the IFIP Working Conference on which this book is based. It was a joint event of Working Groups 3.3 and 3.6, Research and distance Education respectively, of IFIP Technical Committee 3 for Education. International dissemination and promotion of cooperation are IFIP aims that we particularly wanted to address. This is why we opened the event to non WG members and have established a virtual forum on the WEB that has been widely visited. The programme for the 27 to 29 November 97 in Madrid included invited speakers from leading institutions in the field, reviewed and selected contributions from an open call for papers, on-site demonstrations of large European projects and discussion sessions involving distant and present participants. The event attracted experts from 23 countries. About a hundred persons were involved, from all over the world. The spread and accessibility of information and communication technologies are rapidly changing practices in learning and research activities, both in professional and academic settings. The number, variety and scale of experiences reported in recent publications shows a growing international...
