*A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Echo Library. Paperback. Book Condition: New. Paperback. 128 pages. Dimensions: 9.0in. x 6.0in. x 0.3in.No amount of labour, of zest, even of accomplishment, can make up for the absence of this quality. It must be an almost wholly instinctive thing, I believe. Of course, the mere presence of personality in a work of art is not suficient, because the personality revealed may be lacking in charm ;and charm, again, is an instinctive thing. No artist can set out to capture charm; he will toil all the night and take nothing; but what every artist can and must aim at, is to have a perfectly sincere point of view.
