Everything you thought you knew is about to be proven wrong! A new breed of Zombie has emerged, but he is not alone! In the days following the failed experiment that turned him into a zombie, the scientists studied him in the hopes of correcting the failure. All they managed to do was create more like him. Unbeknownst to the scientist, Jacob grew more and more aware of his surrounding and developed the ability to control this new body he had was trapped in. He developed new and exciting abilities as well. He found that he was able to communicate, influence, and even control other Zombies. Soon, he became their leader. Driven by the need for revenge for the loss of his family and what had been done to him, Jacob escapes the prison he was kept in and takes his rage out on the people of Miami Florida, beginning the very apocalypse the scientists had feared. But, unbeknownst to Jacob, his wife was being kept at another facility. She was alive. or was she?.
