A Dogs Best Friend In Why We Love the Dogs We Do, Stanley Coren provides a foolproof guide to understanding which dog will make the best lifetime companion. He brings together his expertise in the fields of human psychology and animal behavior to provide a completely new approach to the doghuman relationship. Working with a team of animal experts, Coren has identified seven groups of dogs based on characteristics such as friendliness, protectiveness, independence, and steadiness. Each group contains dogs from different breeds that share similar personality traits -- a unique departure from the familiar American Kennel Club breed groups. Perhaps even more fascinating are the results of Dr. Corens extensive work matching human personality types with canine characteristics. Using his personality tests, anyone can determine which dog is the right match and which dog is almost certain to cause heartbreak. Rich in anecdotes and grounded in scientific study, Why We Love the Dogs We Do offers us the tools we need to find happiness in what can be among the most satisfying relationships of a lifetime.
