By John Irvine

Finch Publishing, Australia, 2003. Paperback. Book Condition: New. 228 x 152 mm. Language: English . Brand New Book. Dr John Irvine provides parents with practical solutions to more than 40 problems with their children, and tackles common daily difficulties, arranging them into three age groups: baby to preschool, primary school and high school years. One outstanding feature is the innovative Happy/sad-face discipline system, which uses a simple visual feedback technique that avoids confrontation and draws families closer together rather than dividing them. Dr John Irvine is a specialist in behaviour management of children, a consultant psychologist and author of *Who'd Be a Parent?* and *Thriving at School* (Published 2008).

*The most effective ebook i possibly go through. I am quite late in start reading this one, but better then never. Its been designed in an extremely basic way and it is just after i finished reading this ebook by which basically transformed me, modify the way i believe.*
