# DANGEROUS MIND: ON THE ORIGIN OF PSEUDO SPECIES

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 238 pages. A searching critique of our ideas about human evolution, this book offers a new theory that helps to explain why man is so different from other species. The Author demonstrates how recall and memory played a vital part in mankinds evolutionary dominance, to the detriment of all other species. Recall was born in man and changed him completely. It may have been a mutation, the result...
