Most scholars believe the next event prophesied in Scripture is the Rapture of the Church. Natural disasters, armed conflicts, economic and social upheavals, and civil disobedience have become the norm rather than the exception. Christian author Lynn Baber presents a practical and easy-to-read message challenging readers to examine the source of their beliefs at this critical moment in human history. The greatest danger to Christians today is false teaching based upon false prophecy. Familiar words like God, Jesus, Bible, and Christian don't mean what they used to. Rapture and Revelation provides a scriptural path permitting you to separate what is true from what is not. There is an absolute need for messages that offer simple truths about the times we live in. You will discover the link between science and God in these pages as well as meeting the Jesus introduced in such popular books as The Shack and The DaVinci Code. What does the Bible say about relationship with God? How is it possible to live in the world but not be of the world? Will all who confess Jesus Christ as Lord be raptured? These questions, and many more, are answered by the author based on the Word of God. Are you absolutely sure you're ready for the call of Jesus Christ? You may be surprised to discover that what you hoped was true is really a lie. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
