Carlton Books Ltd, United Kingdom, 2005. Paperback. Book Condition: New. 95 x 85 mm. Language: N/A. Brand New Book. An unbelievable pocket-sized slice of life from the greatest magazine in the world! FHM Presents. The Little Book of True Stories is a rib-cracking collection of the best stories of disaster, embarrassment and sheer bad luck. The kind of stories you hear once a year - the plumber's mate who petted an old lady's dog just a little too much or the copulating couple whose night of passion turned out to include more than either of them bargained for. Not enough accident-prone friends or can't wait for the next juicy slip-up story? FHM, the UK's best-selling men's magazine, is dedicated to preserving these gems of comedy. Every month the magazine publishes the best true tales heard across the land. And here, collected in a second pocket-sized volume, are another 70 of the most hilarious, each one chronicling the humiliation of an FHM reader for future generations. FHM Presents. The Little Book of True Stories 2 is a must-have little book of laughs at other people's expense, satisfying the vicarious sadist in all of us. The strangest things can go wrong in the funniest way - hopefully to someone else!.
