Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Minnesota's Leading Colleges To give the graduates of Minnesota High Schools an intimate knowledge of the number, size and character of the institutions of higher education in their own state, is the mission of this booklet. This outline of the courses, policies and advantages of the eleven leading Minnesota Colleges should be invaluable to graduates and parents. It will assist them in making a selection of the college best suited for their requirements and which is to be intrusted with the final educational work and guidance which is such a vital factor in the careers of the young men and young women of the state. The policies of these Minnesota colleges are widely progressive, yet wisely conservative, and embrace a wholesome and worthy idealism. They cherish the belief that higher education and scientific knowledge must be accompanied by the best of moral culture and feel it their duty to bring out the noblest qualities in each individual. Thousands of successful men and women attribute their achievements to the thorough and constructive training, inspiration and vision received at one of these Minnesota colleges and to the friendships formed during their college days. The advantages to residents of Minnesota of attending the colleges of the state are many. The student is close to home ties and the expenses are at a minimum. In addition to these advantages Minnesota students have further advantages in that the majority of the students are, like themselves, Minnesota people, and will remain in Minnesota after graduation. This means a continuation after graduation of college friendships and contacts established with their alma mater which is of increasing pleasure and value in succeeding...
