Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Commercial Geography This work is designed as a guide to the study of practical facts in Commercial Geography. It is prepared especially for the geography work of grades seven or eight in the common schools of our land. Care has been taken to present facts and definitions in a simple form and in a correlated manner. Each illustration has been selected to teach either a geographical or a commercial fact. The illustrations are new, and will interest the student, fixing the truth they teach. Part I classifies commerce and enumerates the aids to commerce. Each chapter closes with a question summary that will prove helpful to both teacher and pupil. Part II shows the author's plan of presenting a commercial trip. It combines description and information in such a way that the pupil feels he is making the journey himself. It teaches the art of travel and the great value of close observation. This trip is carefully chosen over new routes of travel, and incidentally teaches many important commercial and geographical facts. It shows teachers a practical plan for similar trips to our greatest manufacturing and commercial centers. Make the work as real and as practical as possible. This develops thoughtful research, strengthens memory, and quickens observation, while it gives general knowledge along valuable geographical lines. Part III presents miscellaneous facts of commerce and geography intended to encourage laboratory work along practical lines. The author believes it to be one of the most helpful features of the book. Teachers are urged to use this part of the work as their environments would suggest and time will permit. The world map is prepared expressly to show...
