Stoned: A Doctor s Case for Medical Marijuana (Hardback)

By David Casarett M.D.

Penguin Putnam Inc, United States, 2015. Hardback. Book Condition: New. 235 x 160 mm. Language: English . Brand New Book. A doctor discovers the surprising truth about marijuana No substance on earth is as hotly debatedas marijuana. Opponents claim it s dangerous, addictive, carcinogenic, and a gateway to serious drug abuse. Fans claim it as a wonder drug, treatingcancer, anorexia, AIDS, chronic pain, glaucoma, arthritis, migraines, PTSD, and insomnia. Patients suffering from these conditions need and deserve hard facts based on medical evidence, not hysteria and superstition. In Stoned, palliative care physician Dr. David Casarett sets out to do anything including experimenting on himself to find evidence of marijuana s medical potential. He smears mysterious marijuana paste on his legs and samples pot wine. He poses as a patient at a seedy California clinic and takes lessons from an artisanal hash maker. In conversations with researchers, doctors, and patients around the world he learns how marijuana works and doesn t in the real world. Dr. Casarett unearths tales of near-miraculous success, such as a child with chronic seizures who finally found relief in cannabidiol oil. In Tel Aviv, he learns of a nursing home that s found success giving marijuana...

Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
