The Categories (Annotated)

By Aristotle, E M Edghill

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. Annotated. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Things are said to be named equivocally when, though they have a common name, the definition corresponding with the name differs for each. Thus, a real man and a figure in a picture can both lay claim to the name animal ; yet these are equivocally so named, for, though they have a common name, the definition corresponding with the name differs for each. For should any one define in what sense each is an animal, his definition in the one case will be appropriate to that case only.

Reviews

A whole new e book with an all new point of view. It is one of the most incredible book i actually have go through. I am easily could possibly get a enjoyment of reading through a written book.
