Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Keeping Christmas: A Christmas Card Christmas comes but once a year were the words familiar and dear to English childhood. They were uttered by the bands of mummers who came into the halls of the gentry on Christmas Eve to exhibit their rude traditional disguises and play their uncouth antics, earning thereby the half-crowns wherewith to make themselves a merry Christmas. If you had traced the pedigree of the mummers, probably you would have found that they, like Punch, represented the actors of some mediaeval mystery or morality play, now fallen in its estate, since the Church of the Middle Ages, with all its sacred pageantry and dramaturgy, had passed away. Punch will die only with Shakespeare, but the mummers probably by this time the policeman of a refined civilization has ordered to move on.
