Reviews

This kind of pdf is every little thing and made me seeking ahead of time plus more. It generally will not price excessive. You will not truly feel monotony at anytime of the time (that's what catalogues are for concerning should you request me).

Showcase/Roli Books, New Delhi, India. Softcover. Book Condition: New. Rarely does prose capture the vagaries of the human spirit with such acuity and pose. Lyrically written and intensely imagined, *Afterbirth and Other Stories* invites us to see our dark and luminous selves in an intimate relationship. The stories resonate with our lives and experiences as they take us from a Spitian village to a cultural centre in the Kangra valley and further south of the great metropolises of Delhi and Bangalore. Women emerge as protagonists in most of the stories, laying bare their hidden aspirations, designs and vulnerabilities. The dubious demeanour of a narcissistic woman leads to unexpected events, while a girl's twisted DNA costs her many a friendship. A maidservant who has connections with the underworld teaches her employer a valuable lesson. Through the eyes of a rich socialite and a journalist we see the bizarre and glorious workings of the human mind, while an adolescent girl's adoration of her mother turns disastrous. The characters acquire a life of their own as their stories run across macabre spaces and forage into the depths of their beings. As we grow angry with and share the joys of the actors, bleak truths are revealed and poetic justice is delivered. Printed Pages: 266.
