

The History of the Collections Contained in the Natural History Departments of the British Museum: General History of the Department of Zoology from 1865 to 1895 (Classic Reprint)

By Albert Günther

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The History of the Collections Contained in the Natural History Departments of the British Museum: General History of the Department of Zoology From 1865 to 1895 For the preparation of this Appendix to Volume II. of the History of the Collections the Trustees of the British Museum are indebted to Dr. A. Gunther, F.R.S., formerly Keeper of the Department of Zoology. It is a valuable record of the development of the zoological section of the British Museum from the year 1856 to the year 1895, when Dr. Gunther retired from the service of the Trustees. Before 1856 the zoological section had been, for the purposes of administration, the zoological Branch of the Natural History Department of the British Museum. The Index has been made by Mr. G. J. Arrow, Assistant in the Department of Zoology. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Reviews

An extremely awesome pdf with perfect and lucid reasons. I have got go through and so i am certain that i will going to read again once again in the foreseeable future. I found out this ebook from my dad and i recommended this publication to understand.

-- **Angela Kassulke**

Very useful to all category of individuals. It is one of the most amazing publication i have got read through. You will not feel monotony at anytime of your respective time (that's what catalogs are for about when you question me).
