Classical Comics. Mixed media product. Book Condition: new. BRAND NEW, The Tempest Teaching Resource Pack (British English ed), Kornel Kossuth, Clive Bryant, Jon Haward, Gary Erskine, Nigel Dobbyn, To accompany the "The Tempest" graphic novels from Classical Comics and to help with their application in the classroom, this book is spiral-bound, making the pages easy to photocopy, and includes a CD-ROM with the pages in PDF format, ideal for whole-class teaching on whiteboards, laptops, etc or for direct digital printing. Written by a teacher, for teachers, helping to engage and involve students in Shakespeare's play. Suitable for teaching ages 10-17, this book provides exercises that cover structure, listening, understanding, motivation and character as well as key words, themes and literary techniques. Although the majority of the tasks focus on the use of language and comprehension, there are also many cross-curriculum topics, covering areas within history, ICT, drama, reading, speaking, writing and art. An extensive Educational Links section provides further study opportunities. Devised to encompass a broad range of skill levels, this book provides many opportunities for differentiated teaching and the tailoring of lessons to meet individual needs. It includes a CD-ROM. This resource can be used alongside the Classical Comics adaptation of "The Tempest" as well as any traditional text. In fact, many of the activities can stand on their own as introductions to the world of Shakespeare.
