When the floor of a cave collapses, taking 12-year-old Alec Kerley and his friends with it, the outside world thinks they are as good as dead. But what those on the surface don't know is that they are alive and exploring a fantastical underground world never before seen. Following a subterranean river through a series of caverns in their search for a way back home, Alec and his friends discover a gigantic cave filled with prehistoric life -- dinosaurs! In their desperate struggle for survival, can they find their way out before becoming the meal for a Tyrannosaurus rex? And what other malevolence lurks deep underground, watching, waiting? Join Alec Kerley and the Monster Hunters as they enter a land...

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
