By Tim Hopgood

Pan Macmillan. Board book. Book Condition: new. BRAND NEW, Tip Tap Went the Crab (Main Market Ed.), Tim Hopgood, Take a tip-tap walk from 1 to 10! When a curious little crab tip-taps out of her rock pool to explore the big blue sea, she discovers a world full of wonderful creatures. But after she's counted everything from one noisy seagull and two sleepy sea lions to nine silent sharks at the bottom of the sea, the little crab soon realizes that her very own rock pool is the most amazing place of all. And so she tip-taps happily home, closely followed by her ten baby crabs. An engaging board book about counting from the winner of the Best Emerging Illustrator, Booktrust Early Years Awards.

### Reviews

*It is one of the best publications. It is among the most remarkable publications I have read through. Your lifestyle period will change once you complete reading this article publication.*

*The publication is easy to read, better to understand. It is written in basic words and phrases rather than hard to understand. You won't truly feel monotony at any time of your respective time (that's what catalogues are for, about if you question me).*
