## Influx

By Daniel Suarez

Little, Brown Book Group. Paperback. Book Condition: new. BRAND NEW, Influx, Daniel Suarez, Change is dangerous, technology lethal. So what if our civilization is more advanced than we know? Particle physicist Jon Grady is ecstatic when his team achieves a major breakthrough: a device that can reflect gravity. Their research will revolutionise the field of physics. But at Grady's moment of triumph, his lab is locked down by a shadowy organisation whose mission is to prevent the social upheaval caused by sudden technological advances - advances they use to retain total command. They are living in the future we were promised. Now Grady finds himself in a nightmarish high-tech prison built to hold other rebellious geniuses. Can he and his fellow prisoners escape? And even if they can, is it possible to defeat an enemy that wields a technological advantage half a century in the making? The dark ages are ending. Our future is here.

### Reviews

*Here is the best ebook i actually have go through until now. It really is simplistic but shocks within the fifty percent in the ebook. Your daily life period will probably be transform once you total reading this book.*

-- **Elaina Funk**

*This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.*
