## THE HOLY SPIRIT AND CH I (QI) (HARDBACK)

[DOWNLOAD](#)

Pickwick Publications, United States, 2012. Hardback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Description: This book articulates a contextual pneumatology from a perspective of the Eastern idea of ch i (ki in Korean). Rather than understanding the Spirit from a Westernized philosophical perspective, this book utilizes East Asian categories rooted in the I Ching and Asian religions in dialogue with such prominent Western theologians as Barth, Pannenberg, Moltmann and Harvey Cox. The result is an exciting interaction between the Bible, traditions of the West, and experiences of the Spirit rooted in East Asia. Yun argues that the formal dimension of the Spirit (sangeok) is present and active in all cultures and religions while the material dimension of the Spirit (muljeok) is categorically revealed and embodied through the life of Jesus Christ, the event of Pentecost, and Charisms given to the church. In making his case, he mediates a creative balance between countercultural and exclusivist models on the one hand, and pluralistic and anthropocentric models on the other. Endorsements: Koo Dong Yun s work is simply brilliant and beautiful! It is written by an author who accurately knows both Western and Eastern theology and philosophy. I applaud it sincerely. Yun s work escaped many perils of post-colonial theology and has opened a promising new way to move ahead with a genuinely Korean Christian theological vision. This is an authentic contextual theology rooted in the East Asian soil. Instead of trying to write something universal and totalitarian that stands against the post-modern era, Yun has created something that is really chiological and original. If I teach my seminar here on Asian theology or Pentecostalism again, I will surely make use of this book. -Harvey Cox Hollis Research Professor of Divinity Harvard University...
