Do you: *worry about money? *spend far too much of your time making it at a job you don't like, but can't leave (because of the money)? *know your spending is out of control? *feel you can't easily allow yourself to spend it? *work so many hours to get your money that you don't have enough time for hobbies or to spend with the people you care about - or even to sleep? *never seem to quite have enough - whenever more money comes in, so do unexpected expenses? *live in constant debt that doesn't seem to get less? *feel that money is the biggest problem in your life? *feel that all the other problems in your life would go away if you only had enough money?
