After twelve years of living alone as a single parent, she hadn't expected to find love again. She'd pretty much given up on the idea--so when Frank unexpectedly came into her life, the result of an errant e-mail, he turned her world upside down. Four months later, his unexpected death brought it to a crashing halt. Join Tara on her journey as she shares the story of their time together and, more importantly, the lessons she learned as she rode waves of unanticipated love and grief to ultimately come to the strongest place she'd ever been in her life. This true story will speak to and inspire anyone who has ever suffered the loss of a dream by showing how you too can change your perception of that loss from an anchor that holds you back into a beautiful gift that dares you to believe that the best is yet to come.
