Michael Quirk. Paperback. Book Condition: New. Paperback. 162 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Destinys Highway -Right In Front of Your Face is an all-inspiring read. Michael Quirk uses a fictional story with characters in real life situations to share his wisdom and experience in teaching people to heal themselves in a profound way. Through his use of fictional characters, Michael weaves a story that allows everyone to see something of themselves in their lives. His settings of these real life situations allows us to connect with the situations and feel what it would be like to be there with Michael as he works with the characters. You truly get the wisdom and experience of a man who has spent his whole life devoted to finding a new and simple way to help people achieve true happiness. But...
