

## Leaving the Sea: Stories (Vintage Contemporaries)

By Marcus, Ben

Vintage, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Ben Marcus's *Leaving the Sea* "Exhilarating, a treatment of both the world and the self as hostile strangers, where a man can become "an allergy to himself," and where language is both powerful and poisonous . . . But here the struggle to express oneself is also at times hilarious . . . A wonder and a cautionary tale all in one . . . Marcus presents a deeper range of identification for the reader, more emotional complexity, but still plenty of the chair-gripping alienation that marked his previous books . . . Thoroughly and perversely entertaining." -- *New York Times Book Review* "Utterly compelling. What's not said, or left out, implies infinite possibilities after almost every sentence: thus creating a constant state of anxiety in the text at all times . . . As the book progresses Marcus tears up the rulebook completely. And it works beautifully . . . If you enjoy writers like Samuel Beckett, Wallace Stevens and John Ashberry, who refuse to put language in a neat little box where conventional rules apply, then I'm sure you will..."
