In the Buddhas Words: An Anthology of Discourses from the Pali Canon

By -

Wisdom Publications (MA). Paperback. Book Condition: New. Paperback. 496 pages. The works of the Buddha can feel vast, and it is sometimes difficult for even longtime students to know where to look, especially since the Buddha never explicitly defined the framework behind his teachings. Designed to provide just such a framework, In the Buddhas Words is an anthology of the Buddhas works that has been specifically compiled by a celebrated scholar and translator. For easy reference, the book is arrayed in ten thematic sections ranging from The Human Condition to Mastering the Mind to The Planes of Realization. Each section comes with introductions, notes, and essays to help beginners and experts alike draw greater meaning from the Buddhas words. The book also features a general introduction by the author that fully lays out how and why he has arranged the Buddhas teachings in this volume. This thoughtful compilation is a valuable resource for both teachers and those who want to read the Buddha on their own. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
